Community Safety Update & Resources

RE: Coronavirus Disease 2019 (COVID-19)

Updated March 13, 2020

Community Safety Actions

We are partnering with local health authorities to stay on top of this rapidly evolving situation. We have actively implemented practices driven by directives from the Centers for Disease Control and Prevention (CDC).

In addition to implementing CDC-recommended cleaning procedures, we have undertaken several additional measures:

- CDC-recommended hand-sanitizing stations through Union Market and La Cosecha
- Posted additional signage reminding employees of safe hygiene practices
- Outside doors remaining open as weather permits to reduce touchpoints for our customers
- Additional cleaning staff to address high traffic areas with CDC recommended cleaning agents
- Open collaboration with our retailer partners to reinforce training and best cleaning practices
- Adjusting tables and furnishings per the CDC-recommended social distancing guidelines.

We will remain vigilant and will continue to go above and beyond to protect the health and safety of our communities.
